## BOOMER EDUCATION 101

Approaching 65? Here's a new 3-session class to help Boomers prepare for major changes that are just around the corner.  
(Each session covers a different topic in sequence.)

### Medicare

- >What are the basic benefits? When/how do I sign up?
- >Is Medicare the only health insurance I'll need?
- >What about prescription drug coverage?

### Still working after 65?

- >Will my employer plan work with Medicare?
- >Is Medicare required?

### Social Security

- >When should I start? Any restrictions?
- >Is Social Security related to Medicare?

### Long-term care (LTC) insurance

- >What is LTC? Doesn't Medicare pay for it?
- >How do I decide if I should buy long-term care insurance?

**Presented by Robert M. Petty, Ph.D.**

**Community Educator**
