

BOOMERS ON THE EDGE

Getting close to 65?

If you're nearing that time when you'll be considering retirement (or not!), Social Security, and Medicare... Don't miss this seminar!

Medicare

- >What are the basic benefits?
When/how do I sign up?
- >Is Medicare the only health insurance I'll need?

Social Security

- >When should I start?
- >Is Social Security retirement related to Medicare?

Still working after 65?

- >Will my employer health plan work with Medicare?
- >When is Medicare required if I'm still employed?

After retiring

- >Should I continue my company health plan or go private?
